Tanya,

I have no comments on this letter. Sorry it took me so long to review!

Hello,

Attached is the draft SCORPIOS bill letter for your initial review. If possible, please incorporate any edits you may have using redline/strikeout. I will make the edits and forward on to John K for review and a billing number. A hard copy will follow after this step for a final review and signature.

Let me know if you have any questions.

Thanks,

Tanya
